SYSTEM SOFTWARE-UPDATES

This PSP™ (PlayStation®Portable) Game includes System Software update data for the PSP™ system. An update will be required if an "update request" message is displayed on-screen at game start-up.

Performing a System Software update

The update data is displayed with the icon shown here on the Home Menu.

By following the on-screen instructions, you can update the System Software of the PSP™ system. Before performing the update, check the version number of the update data.

- During an update, do not remove the AC Adaptor.
- During an update, do not turn off the power or remove the PSP™Game.
- Do not cancel the update before completion as this may cause damage to the PSP™ system.

Checking that the update was successful

Select "Settings" from the Home Menu, and then select the "System Settings" option. Select "System Information" and if the "System Software" version number displayed on-screen matches the version number of the update data, then the update was successful.

For details on System Software updates for the PSP™ system, refer to the following website: eu.playstation.com

PARENTAL CONTROL

This PSP™Game software has a preset Parental Control Level based on its content. You can set the Parental Control Level on the PSP™ system to restrict the playback of a PSP™Game with a Parental Control Level that is higher than the level set on the PSP™ system. For more information, please refer to the PSP™ system Instruction Manual.

This game is classified according to the PEGI rating system. The PEGI rating marks and content descriptors are displayed on the game package (except where, by law, another rating system applies). The relationship between the PEGI rating system and the Parental Control Level is as follows:

PARENTAL CONTROL LEVEL	PEGI RATING AGE GROUP
9	18
7	16
5	12
3	7
2	3

WIRELESS (WLAN) FEATURES

Software titles that support Wireless (WLAN) functionality allow the user to communicate with other PSP™ systems, download data and compete against other users via connection to a Wireless Local Area Network (WLAN).

AD HOC MODE

Ad Hoc Mode is a Wireless (WLAN) feature that allows two or more individual PSP™ systems to communicate directly with each other.

GAME SHARING

Some software titles feature Game Sharing facilities which enable the user to share specific game features with other users who do not have a PSP™ Game in their PSP™ system.

INFRASTRUCTURE MODE

Infrastructure Mode is a Wireless (WLAN) feature that allows the PSP™ system to link to a network via a Wireless (WLAN) Access Point (a device used to connect to a Wireless network). In order to access Infrastructure Mode features, several additional items are required, including a subscription to an Internet Service Provider, a network device (e.g. a Wireless ADSL Router), a Wireless (WLAN) Access Point and a PC. For further information and setting up details, please refer to the PSP™ system Instruction Manual.

GETTING STARTED

SETTING UP

Set up the PSP™ system according to the instructions in its instruction manual. Turn the PSP™ system on and the POWER indicator will light up green. The Home Menu will be displayed. Open the disc cover and insert the Marvel Ultimate Alliance 2 disc with the label side facing the rear of the PSP™ system and then securely close the disc cover.

Select the  icon from the Home Menu and then select the  icon. An image of the software will be displayed. Select the image and press the **×** button to commence loading.

PLEASE NOTE: the information in this manual was correct at the time of going to print, but some minor changes may have been made late in the product's development. All screenshots for this manual have been taken from the English version of this product, and some screenshots might have been taken from pre-completion screens that differ slightly from those in the finished product.

MEMORY STICK DUO™

To save game settings and progress, insert a Memory Stick Duo™ into the Memory Stick Duo™ slot of the PSP™ system. Saved game data can be loaded from the same Memory Stick Duo™ or any Memory Stick Duo™ containing previously saved game data.

This title uses an autosave feature.

Make sure that there is enough space on your Memory Stick™ before commencing play.

STARTING UP

Introduction

Civil War has erupted among the world's Super Heroes™. The government has instituted the Superhuman Registration Act that will force heroes to become agents of S.H.I.E.L.D. and controlled by the state. Take control of the Super Hero community's destiny by deciding which side of the Civil War you'll fight on. Choose to stand with Iron Man and become an agent of the government, or ally with Captain America and defend personal liberties as an Anti-Registration rebel. The fate of the Marvel™ Universe—and humankind—is in your hands. Lines are drawn. Threats are made. And the ultimate question remains: Whose side are you on?

Gameplay

As you progress through the story, your Super Heroes and team will change and evolve. When characters gain levels, their powers and abilities can be upgraded in the Hero Details Menu.

Customise your characters' powers to cater to your preferred play style and personalise your team. Destroying objects in the environment and defeating enemies will drop Coins and Orbs, which replenish Health and Energy. Coins can be spent to purchase additional skill points in the Hero Details Menu.

Switching Super Heroes is done by pressing any directional button. Special powers are performed by pressing the **R** button plus any action button. Fusions and character revival are done by holding the **L** button and pressing the directional button corresponding to the target character. If you get lost, pausing the game will display the current Mission Objectives.

At a certain point in the story, you'll have to choose whose side you are on. Do you support the Superhuman Registration Act or oppose it? Depending on your choice, events in the game's story will unfold differently. Be sure to try both sides to see how your decision impacts the world!

Note: Certain playable characters may only be available depending upon which side you choose. Hidden characters are unlocked by completing Key Objectives in some bonus missions, which are accessed from Game Hubs (e.g., Stark Tower).
